History: This message has been replied to.

Chip, Kristine,

Please see attached alternatives screening presentation. As you requested, these presentation materials are submitted in advance of the April 12 deadline, which has been converted from a deadline for submittal of the materials to the date for an alternatives screening check-in meeting. The LWG believes this submittal satisfies the requirement of EPA's February 25, 2011 letter to provide an alternatives screening analysis deliverable by April 12, 2011.

Please let us know if you have any questions.

Thank you,

Jen Woronets ☺
